Departure point

Daily 09:00 - 17:00, last entry session 16:00

How to get there

• By Train

Take the Sydney Trains' Blue Mountain Line and get off at Katoomba Train Station. From Katoomba, you can purchase a ticket to hop on the Blue Mountains Explorer bus and get off at the Scenic World stop.

• By Car

There is ample parking at Scenic World, free of charge.

Operating hours

Daily (including Christmas Day and New Year's Day)

Last ride at 16:50

Check-in requirements

Please ensure you arrive at the ticket office 10 minutes before your scheduled departure time to allow enough time to check in. Regrettably, failure to arrive before this time will most likely be classified as no-show and result in forfeiting the booking and it cannot be refunded or transferred.

If you are not familiar with the area or travelling on a weekend or local public holidays / school holidays, please make sure you've checked your timetable or driving route beforehand, and allow extra travelling time for unexpected delays to ensure you do not miss your check in

What to bring/wear

- Appropriate clothing for all weather conditions, eg. jacket for cooler months.
- Comfortable enclosed walking shoes
- Protective clothing, hat, sunscreen lotion, and sunglasses
- Water bottle, Snacks
- Umbrella / raincoat if rains
- Insect repellent
- Camera
- Money / credit card for optional purchases

Other info

• Order of rides will be determined by Scenic World staff members on the day of arrival. Scenic World reserves the right to direct all persons on the Scenic World site or who use any attraction operated by Scenic World to whichever Ride is available into or out of the valley, for safety, operational, or other reasons. A combination of Rides at Scenic World is not guaranteed. Scenic World reserves the right to close any section of the Walkway and to direct all persons to use whichever section is available. Access between the Railway and Cableway via the Walkway is not guaranteed.

- The Ultimate Discovery Pass Pass Holder is entitled to as many rides, on any Ride that is

available, while the Pass is valid.

- An Ultimate Discovery Pass expires at the time of the last trip on the same day on which the Pass is issued or activated (whichever occurs later), or as otherwise notified by Scenic World.
- Operating hours may change due to maintenance, improvements or safety reasons. Please always check with the Service Provider visit their official website for updated information regarding scheduled maintenance and closures before purchasing, and when closer to travel date to plan your visit.

【Maintenance Notice】

Skyway will be temporarily closed for scheduled maintenance from 9 October to 24 November 2023.

• OVERVIEW •

**Sydney Blue Mountains Scenic World
- Ultimate Discovery Pass**

Scenic World at Katoomba in the World Heritage-listed Blue Mountains of Australia offers different rides to enjoy breathtaking views in the heart of the rainforest.

Take a return trip on the Railway, Cableway and Skyway enjoying commentary from our informative, local staff. Take in all the magical atmosphere as the famous Blue Mountains mist shrouds the Three Sisters and Katoomba Falls spill into the valley. Stay cosy and dry with a visit to EATS270, the eatery with the best views of the Three Sisters and Jamison Valley.

Scenic Skyway

Glide between cliff tops and gaze at the rainforest canopy through the glass floor of the Scenic Skyway!

Suspended 270 metres above ancient ravines, the Skyway provides a unique thrill as breathtaking views are revealed beneath your feet through the electro-glass cabin floor. For the less adventurous, seating and solid flooring is also available!

With 360° views, the 720 metre journey provides the best views of Katoomba Falls, the Three Sisters, and Jamison Valley stretching to the horizon.

Following a three million dollar upgrade to improve the visitor experience in November 2017, the new Skyway cabin features 30% more capacity, free Wi-Fi, and improved loading and unloading to make the Scenic Skyway one to remember!

Disembark at the Skyway's east station to access lookouts over the valley along with bush trails to Echo Point.

The Scenic Skyway is the largest aerial cablecar in the Southern Hemisphere.

Scenic Cableway

Discover panoramic views of the World Heritage-listed Blue Mountains from the Scenic Cableway.

The 545 metre journey gently descends into the Jamison Valley and also returns visitors to the top of the escarpment. The Cableway's fully enclosed cabin is a unique vantage point for viewing the Three Sisters, Orphan Rock, Mt Solitary and Katoomba Falls.

Disembark at the bottom station to access the Scenic Walkway and stroll through 2.4 kilometres of Jurassic rainforest.

Wheelchair accessible with a capacity for 84 passengers, the Cableway is the steepest and largest aerial cable car in the Southern Hemisphere.

Following a four million dollar upgrade to improve the visitor experience in September 2018, the sleek new cabin features a more spacious ride with streamlined boarding and improved accessibility, wide windows for unparalleled views of the valley below

Scenic Walkway

Discover the tranquility of ancient rainforest - or simply tire the kids out - strolling along the 2.4 kilometre Scenic Walkway.

Brilliant in sunshine and even better in the rain, this elevated boardwalk immerses visitors in Jurassic rainforest on the Jamison Valley floor with minimal impact on the environment.

Along the way, explore elements of the site's coal mining history including the mine entrance, a replica miners' hut and scale bronze sculpture of a miner and his pit pony.

Learn about local flora, listen for the native lyre bird or taste pure Blue Mountains water straight from Marrangaroo Spring. Enjoy a peaceful moment in the open-air Rainforest Room, or on rest benches located along the route.

Options for various walks taking ten minutes or a full hour are clearly signposted, along with the wheelchair accessible link between the bottom Cableway and Railway stations.

In The Wet

Experiencing the Walkway in the rain is magical; colours change, mist shrouds the towering cliffs above, hidden waterfalls murmur, raindrops cling to leaves and native birds become more vocal.

Protected by the rainforest canopy, the Walkway has its own microclimate which can be quite distinct from the weather at the top of the escarpment. We recommend the rainforest in the rain - don't let a little weather stop you!

Scenic Railway

Discover the thrill of a 52 degree incline (128% incline) riding the steepest passenger railway in the world, the Scenic Railway.

Following an award-winning redevelopment in 2013, this unforgettable experience offers glass-roofed carriages with expansive views of the rainforest setting and spectacular Jamison Valley.

Custom designed carriages allow passengers to choose their own adventure like never before, adjusting their seated position up to 20 degrees! Choose an adventurous 'Cliffhanger' ride at a steep 64 degree incline, or for those seeking a relaxed journey select the 'Laid Back' option. Of course, loyal fans can still ride the 'Original' at 52 degrees (128% incline).

The Railway experience descends 310 metres through a cliff-side tunnel, emerging into ancient rainforest at the Jamison Valley floor.

Operating since 1945, the Scenic Railway has thrilled 25 million passengers - this is the fifth generation train to ride the tracks since the Hammon family opened the attraction.

Carrying 84 passengers, the train departs every ten minutes. Disembark at the bottom station to access the Scenic Walkway and stroll through 2.4 kilometres of Jurassic rainforest.

The term 'Scenic Railway' was first used in the late 19th century in reference to amusement rides at English seaside funfairs. Consisting of simple carriages on rails, passengers passed a series of exotic 'scenic' backdrops such as the Swiss Alps or Egyptian pyramids.

Cancellation Policy

- If you cancel at least 7 day(s) in advance of the scheduled departure, there is no cancellation fee.
- If you cancel between 0 and 6 day(s) in advance of the scheduled departure, there is a 100 percent cancellation fee.
- If no show, no refund.
